1

At the outset, the Head of the Centre & Chairman of the Board of Studies of Centre for Education extended a warm welcome to the Members of the Board.

Thereafter the following agenda items were taken up for discussion:

1. Approval of Ph. D. course work
2. Approval of B.Ed. (two years) Curriculum Structure and Syllabus for First Semester
3. Any other academic issue.

The Board of Studies discussed all the agenda items one by one and recommended the following:

**Item No. 1: Approval of Ph. D. course work**

1. The members suggested the introduction of practicum at the end of each paper which shall prove to be more fruitful for the scholars.
2. The Statistical part in the paper entitled 'Statistical Techniques and Computer Application' should be more conceptual in nature and should concentrate more on the clarity of concepts. Numericals as such, should be strictly avoided.
3. Workshops and Seminars related to the course work are to be incorporated in the syllabus, making it a mandatory exercise for the scholars during the course work.
4. The emphasis should be given on writing references only in the APA format while preparing any research proposal or writing final body of the report.
5. More optional papers should be added in Paper-3 (e.g. Best Practices in Higher Education), depending upon the specializations of the new inducted faculties in future.
6. Ph. D. course work is approved by the members of the board, after due incorporation of the suggested modifications in the final draft.

**Item No. 2: Approval of B.Ed. (two years) Curriculum Structure and Syllabus for First Semester**

1. The structure of the course, course title, course papers and course outline has been approved by the Board of Studies.
2. B.Ed. 1<sup>st</sup> Semester syllabus is approved by the members of the board, after due incorporation of the suggested modifications in the final draft.

17.3.18

**Item No. 3: Any other academic issue.**

1. Application of Dr. Vimal Kishor along with his bio-data was presented before the Board of Studies with the request that Dr. Kishor be approved as a research supervisor in the centre for Education. While his request was being discussed, Dr. Kishor was asked by the members to leave, so that his request may be considered in his absence. Board of Studies recommends approval of the supervisorship of Dr. Vimal Kishor for guiding Ph. D. thesis in Education in the Centre for Education, School of Education.
2. The members suggested to prepare a list of quality psychological tests for the academic use of B.Ed. students and Research Scholars and also initiate the process of their procurement at the earliest.
3. Question Bank may be prepared for each course as a best practice of the centre.
4. The experts believed that capacity building is an essential requirement for a relatively new Centre and therefore distinguished, well-informed and eloquent speakers in the relevant field should be regularly invited to the Centre to deliver Special Lectures and interact with the students. This shall pave the way for further collaborations of the centre and improve exposure of the students.

The meeting came to a close with a vote of thanks by Dr. Vimal Kishor, Centre Head and Chairman of the Board. He expressed his thanks to all the External and Internal Members of the Board and especially to Prof. Manoj Kumar, Dean, School of Education for sparing valuable time for the meeting.

Respective members,

As we have discussed in the meeting of Board of Studies on dated 17-03-2018 regarding the course structure of B.A. B.Ed. and B.Sc. B.Ed. (Four Year Integrated Course), which couldn't have incorporated in the minutes. Therefore, I am submitting it to you once again for your kind perusal and approval.

**Agenda:** Approval of credits and marks of B.A. B.Ed. and B.Sc. B.Ed. (Four Year Integrated Course)

A meeting was held at Chanakya Hotel, Ranchi on dated 25-11-2017 at 2:00 PM to finalize the credits and marks of B.A. B.Ed. and B.Sc. B.Ed. (Four Year Integrated Course). Three external subject experts along with two internal members were present in the meeting. The committee reviewed the course structure (credits, marks offered in different papers) for the above said courses and approved unanimously. The courses were found as per NCTE norms. Accordingly marks sheets are awarded to 21 students.

This is submitted for kind approval of the members please.

**Resolution:**

The Committee members approved the proposal.
