## Glimpse of geo-tagged images of Laboratories available in Department

The Central University of Jharkhand (CUJ) boasts modern, state-of-the-art laboratories that cater to both routine academic activities and advanced research. These facilities are well-equipped with high-end instruments, supporting hands-on learning and experimental work across various departments. The University ensures an optimal 4:1 student-computer ratio with dedicated computer labs, 24-hour network access, and high-speed Wi-Fi, facilitating smooth digital learning. Alongside its 174 ICT-enabled classrooms, CUJ provides specialized wet and dry labs, especially in the science and engineering departments, equipped with advanced scientific computing tools. The campus also offers inclusive infrastructure for physically challenged individuals, media centers with cutting-edge audio-visual equipment, and geo-tagged images documenting the labs' facilities for NAAC accreditation.
