**TO WHOM IT MAY CONCERN**

Central University of Jharkhand (CUJ), Ranchi is recognized by UGC a Central University established by an Act of Parliament of India in 2009 and governed by UGC and MHRD. CUJ admits students in its Five Year Integrated M.Sc. in Life Sciences Programme.

During the Five Year Integrated M.Sc. in Life Sciences with Major in Life Sciences, the students go through compulsory theory courses such as Animal Physiology, Biochemistry, Bioinformatics, Biophysics, Biostatistics, Biotechniques, Cell Biology, Developmental Biology, Ecology, Evolutionary Biology, Genetics, Genetic Engineering, Immunology, Microbiology, Molecular Biology, Neurobiology, Plant Physiology, Structural Biology etc. along with hands on practical training wherever applicable. Besides, the students also gain theoretical knowledge in other advanced and interdisciplinary elective courses of Biological Sciences depending on their interests.

Five Year Integrated M.Sc. Programme of CUJ in Life Sciences is equivalent to similar M.Sc. Programmes in the area of Biological Sciences elsewhere, viz. M.Sc. in Botany, M.Sc. in Zoology. Hence students graduating from CUJ with an M.Sc. Degree (5-Year Integrated) in Life Science should receive all consideration for higher studies and job opportunities where M.Sc. in Botany or M.Sc. in Zoology education qualification is required.
